## Science Subject Leader Network

---

Do you have a passion and a commitment to raise the profile of science in your school? Do you have a role in leading science across the infant, junior or primary school? If so the Science subject leader network will provide you with the opportunity to:

- Keep up to date with new initiatives in science education,
- share ideas and good practice with other science subject leaders,
- reflect on what is already going on in your school and find ways of moving your school forward.

Whole day sessions will take place, once every term and will build on a programme from previous years, however newcomers are welcome.

The network sessions will focus on how to capture what children can do in science and developing an evidence base, including:

- Review of Science impact last year, Action Plans for this year, Science Curriculums and links to knowledge based curriculum - New Ofsted criteria based around curriculum, Up to Date News linked to Science
- Developing Science vocab and knowledge
- Practical support to achieve the PSQM Award
- STEM/STEAM developing links with Science cross curricular
- Recording and Assessing in Science
- Plus Science CPD based on Subject Leader feedback

**Facilitated by: Julia Burger and Lisa Henthorn (Science SLEs)**

**Day 1** Tuesday 5th November 2019, 9.00 - 3.00pm

**Day 2** Tuesday 25th February 2020, 9.00 - 3.00pm
